You contacted us asking for more information about the Highfield Solar Project.
We now have some updates that our company would like to share with you!

saturnpower

Highfield Highlights

- We are working with the Ministry of Environment to develop a permitting plan and schedule that will guide us in conducting the necessary environmental studies for this project during the spring and summer of 2019
- Saturn Power will gain all appropriate permits required to develop and build the project
- We have set a date for our Community Open House in March

Upcoming Events

You are invited to our upcoming **Highfield Solar Open House**.

March 27, 2019
4:30 pm - 7:30 pm
Wymark School
225 Flora Ave. Wymark, SK

Join our team for a night of conversation, project information, and refreshments.

We will be available to answer any questions that you may have regarding the Highfield Solar Project and the expected benefits to the community. Register for this free event online by following the link below.

We hope you will join us in discussing this exciting new project!
